Refunds and Cancellations

If any of your party (or your whole group) needs to cancel or amend the bookings, we will always process a 100% refund for you as long as you give us one week's notice. Please be patient as refunds may take up to 14 days.

Ideally, rather than cancelling, if you can book another date for a few weeks' time, that would be a massive help to our team, but we understand completely if that's not possible. So long as you give us one week's notice to give us a chance to re-book your table then you get a 100% refund.

Whether that is for the whole party or a just a drop in numbers.

If you increase your numbers, and we can accommodate the additional guest(s), please ensure you pay the extra deposit when booking the additional guest(s). If it's a late change we will need the pre-order for the additional guest(s) immediately as well.

We are here to answer any of your questions or concerns so please dial the restaurant or our bookings team if you need any more info or clarity.

FOOD ALLERGIES & INTOLERANCES

Please let us know about your group's allergies & dietary needs ahead of time so that we can prepare for them.

All our food is prepared in a kitchen where nuts, cereals containing gluten and other allergens are present and our menu descriptions do not include all ingredients. If you have a food allergy or intolerance, please let us know before ordering. Full allergen information for food and drink is available upon request. The information available is correct to the best of our knowledge, however it may subject to change between the time of booking and the time of dining. Please ask to see our allergen guide at the time of your visit to check if there have been any changes that may affect you.
